

Adelaide Art Society Social Night Friday 26 May, 7.30pm
Ipad Drawing with Alex Bekinsale

Alex Beckinsale is an emerging artist whose work is inspired by strange narratives, folklore, and popular culture. She graduated from Adelaide Central School of Art with a Bachelor of Visual Art (Honours) in 2016. She focuses on figurative art and portraiture, often constructing otherworldly and mysterious situations in her work.

Alex likes to use a range of materials and strategies in her art. She also likes to make use of drawing apps such as Procreate to draw on her ipad and this will be the focus of her demonstration for our Social Night.

As usual, after the presentation, you will have to chance to socialise with other like-minded art enthusiasts over supper so bring a little something to share.
